

Dear. Shelley

Hello, This is Cherry.

How are you doing?

First, I want to say 'Thank you'.

I had gotten in some trouble,
and some times I spent hard time
with homesick, but for 10 months

I was really happy staying in Canada
as an exchange student.

Thank you for everything and I really
enjoyed and experienced a lot.

I feel so sad because I am leaving
and all of my friends are leaving.

I wish I can stay here with my friends
from Korea and Mexico and even
Canadians.

I love you Shelley and thank you
very much.

Trillium Exchange is the best!!

Don't forget me!! ♥

Love you
From. Cherry Kim
